Thank you for your participation in the HIC and PIT submission process this year. The deadline has now passed. If you did not meet the deadline, please continue work to submit your PIT and HIC. Stay tuned for the data cleaning process in July! For a running list of known and resolved issues, please check the Weebly Page. If the HIC or PIT data is not displaying as expected, please see the troubleshooting tab of [Weebly Page](#).

Help

- Data reported in this table (unaccompanied youth) is a subset of unaccompanied youth and children from the following two tables under Homeless Populations.
 - Persons in households without children** - The subset of data to include from this table are of persons who are single "youth" adults between 18 and 24.
 - Persons in households with only children** - The subset of data to include from this table are persons who were under age 18 and living on their own.
- In the event certain demographics are unknown, CoCs should use approved extrapolation techniques to ensure that the total number of persons listed under each category equal the total number of persons counted. See HUD [Point-in-Time Count Methodology Guide](#) and [Point-in-Time Count Implementation Tools](#) page on the HUD Exchange.

- CoCs must report data on persons in Youth Households, including the race/ethnicity for unaccompanied youth. Unaccompanied youth are persons under age 25 who are not presenting or sleeping in the same place as their parent or legal guardian or their own children. Unaccompanied youth are either a subset of households without children, if they are 18 to 24, or households with only children, if they are under 18.
