Subject: CoC NOFO Application New & Renewal Project Templates - Time Sensitive
Attachments: 2026 PROJECT LIST previous and new 6-3-26.docx; 2026 ESNAPS NEW PROJECT TEMPLATE.docx; 2026 ESNAPS RENEWAL PROJECT TEMPLATE.docx

Dear CoC Applicants:

Attached are the 2026 project templates for CoC NOFO new and renewal project applications. Project templates are requested to be submitted for review **prior to entering projects into the HUD Esnaps grant portal.**

The template amounts will be different than the Neighborly budget totals for renewal, reallocation, and transition project applications. This is due to the 2025 renewal award amounts not being announced until the end of May 2026. Totally new projects will have the same budget total as is in Neighborly.

Also attached is a 2026 Project List previous and new that lists for you the correct budget total for the templates. **Any project in the 2026 column that is highlighted in yellow must adjust their total budget to the amount shown in the second column 2025 award.** This list will show you if the project needs to complete a New or Renewal template under the "Type of Application" column.

The due date is June 30, 2026.

Please contact Lisa Snipes Lisa.Snipes@dupagecounty.gov or Peg Lijewski peglijewski@gmail.com should you have any questions while completing your templates. Thank you.
